

Certificate of Achievement

Stanley Walton

26 June 1977

has completed the following program

BOOST YOUR CAREER WITH AI

a **nine-week blended program in artificial intelligence.**

The holder of this certificate engaged in self-paced coursework, participated in live sessions, and developed skills in prompt engineering, custom AI-powered bots, industry applications, and ethical use of AI.

The program culminated in a capstone project that applied the acquired skills to design an AI-based solution for a real-world challenge.
